

Department of Pathology & Laboratory Medicine

Scientific and Clinical Advances Grand Rounds

Mind the gap: integrating anatomic and molecular pathology approaches for 21st century cancer patients

James Suh, MD

Senior Pathologist and Associate Medical Director
Foundation Medicine, Inc.
Cambridge, MA

Thursday, January 28, 2015

Noon to 1 p.m.

UC Irvine Medical Center
101 The City Dr., Building 53, Auditorium
Orange, CA 92868

Global Objectives:

- Review recent advances in the identification and diagnosis of current and emerging disease states.
- Discuss the pathophysiology of various disease states and the multidisciplinary considerations that affect patient care outcomes.
- Identify recent changes in requirements for accreditation, licensing, and regulatory compliance in across all divisions of pathology.
- Discuss recent developments in scientific research and their application to the practice of pathology and laboratory medicine.
- Discuss recent developments in diagnostic technologies and their application to the provision of enhanced laboratory services.

Statement of Purpose: Scientific and Clinical Advances is a lecture series established to provide continuing updates on the various disciplines of pathology with emphasis placed on the clinical applications of current research and the role of the laboratory in specific areas of patient care. Also addressed are current faculty research updates, technological developments and new diagnostic testing methodologies.

Target Audience: The target audience includes faculty and physicians at UC Irvine Health, community pathologists, and professional and technical staff at UC Irvine Health Pathology Laboratories.

Accreditation Statement: The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement: The University of California, Irvine School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

California Continuing Education Credit: Approved for CA Continuing Education units by the UC Irvine Department of Pathology (#0073) for 1.0 contact hour.

ADA: In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact Laura Ogata at 714.456.6305, at least five days before the meeting.

Disclosure: James Suh, MD, has disclosed that he is an employee and stock shareholder of Foundation Medicine, Inc.; on Speakers Bureau for Genentech; and a consultant for Daiichi Sankyo, which could be perceived as a potential conflict of interest in his presentation. Dr. Suh has disclosed that, based on his potential conflict of interest, his presentation has been peer-reviewed for clinical validation, balance and bias. Dr. Suh further discloses that he will support his presentation with the "best available evidence" from the medical literature and refrain from making recommendations regarding products or services.

Course Director/Planners: Sherif Rezk, MD; Edwin Monuki, MD, PhD; Beverly Wang, MD; and Laura Ogata, MA, MT(ASCP), have disclosed that, as course directors and planners, they have no affiliations, arrangements or financial agreements which could be perceived as a potential conflict of interest.
