## **Save the Date**

# 2nd Annual UC Irvine Health Hematology Symposium

---

Saturday, March 25, 2017

Disney's Paradise Pier Hotel®  
at the Disneyland® Resort in Anaheim, Calif.

UC Irvine Health faculty members and distinguished guest speakers will discuss innovations in the diagnosis and management of complex hematologic issues. Agenda finalization is in progress, updates and registration information will be provided shortly.

For the 2nd Annual UCI Hematology Symposium, a hybrid educational format — where case-based topics are jointly presented by a pathology specialist and a clinical specialist — is planned. We will again feature board review session with audience response system as well as opportunities to interact with exhibitors.

We look forward to seeing you there!
