

2nd Annual UC Irvine Health Hematology Symposium

Presented by the Department of Pathology and the Department of Medicine, Division of Hematology/Oncology

Saturday, March 25, 2017 | 8 a.m.–5:45 p.m.

Disney's Paradise Pier Hotel® at the Disneyland® Resort in Anaheim, Calif.
1717 Disneyland Dr., Anaheim, CA 92802

Join us at the second annual UC Irvine Health Hematology Symposium, where our pathology and radiology faculty, as well as distinguished guest speakers, will share their expertise and discuss innovations in the diagnosis and management of complex hematologic issues. This engaging symposium will present information in clinician lecture format, followed by a discussion of patient evaluation and management.

Topics will include:

- Molecular diagnostics in selected disorders
- Primer on flow cytometry for the general practitioner
- Approach to the evaluation of anemia
- Myelodysplastic syndrome
- Selected vector-borne diseases
- Lupus anticoagulant and antiphospholipid antibody syndrome
- Venous thromboembolism
